MARION KALFON

SUPPORT FOR YOUNG PROFESSIONALS

ONBOARDING & ROLE ADAPTATION

PROFESSIONAL & LEADERSHIP POSTURE

Marion has over 15 years of experience in the food industry, working with major international groups such as Kraft Foods, Mondelez International, and Barilla. She has led marketing teams and served as a project coordinator, specializing in brand innovation and strategy. She is also deeply committed to supporting young talent in the workplace, having developed a mentorship program to foster their growth.

As a certified professional coach, Marion focuses on guiding young professionals and managers through pivotal moments in their careers: onboarding, role transitions, taking on managerial responsibilities, and bouncing back from challenging experiences. She also supports career transitions and departures, helping clients rediscover purpose and passion in their professional journeys.

A graduate of ESSEC (E07) and a certified Executive Coach from École Internationale Mozaïk, Marion supports her clients in both shaping their career paths and developing their professional presence and interpersonal skills.
